

Joint Service & Access Policy Confirmation of Receipt and Acceptance

TO: eHealth Saskatchewan, Access Management Services

RE: Security and User Access Policy relating to the Pharmaceutical Information Program ("PIP")

By signing below, I have reviewed and accepted the Joint Service & Access Policy and acknowledge that a current version of the Policy will be available from the main page of the PIP application. Notification of changes to the policy will be made available through the PIP main page and by other electronic means where and when applicable. This Policy supersedes any previously accepted Data Access Agreements (DAAs), where applicable. The User Organization is deemed to accept all amendments if it continues to exercise its User Rights into PIP.
