

Request to Change Sex Designation on Saskatchewan Health Card

(Birth Certificate Already Changed)

Instructions

Use this form only if your birth certificate has already been updated and you want the same change on your Saskatchewan health card.

Submit the completed form and a copy of your updated birth certificate by mail or in-person to:

eHealth Saskatchewan
101-1901 Scarth Street
Regina, SK S4P 2H1

A new health card with your amended sex designation will be mailed to you automatically.

Applicant Information (person changing their sex designation)

Last Name: _____ First name(s): _____

Street address: _____

City/Town: _____ Postal code: _____

Phone Number: _____ Email: _____

Health Services Number (HSN) (if known): _____

Acknowledgement

I understand that some provincial health screening programs and services are specific to men or women (for example, prostate screening or mammography). If I change the sex designation on my health card, I understand that I am responsible for discussing screening programs and any potential impacts on my care with my physician or another health care provider.

Signature of applicant: _____

Date: _____

(DD/MM/YYYY)
