

Saskatchewan Immunization Manual Amendments

February 2025

Instructions: Please remove and discard the corresponding pages in each chapter section as applicable and insert the amended pages as noted below in each corresponding chapter section.

Ch. 7 Immunization of Special Populations

- **Appendix 7.1 Publicly Funded Vaccine Recommendations for Specific Populations by Panorama Risk Factor Category**
 - **P. 35 – Caregivers of Newborn (Tdap infant pertussis cocooning program)** Risk factor archived as adults eligible for Tdap every 10 years.
 - **P. 35 Resident – Group home:** patients of Saskatchewan Hospital North Battleford eligible for HB and Pneu-C-20 vaccines
- **P. 37 Appendix 7.2: Varicella Immunization Referral Form (Ages 1+ years)**
 - Form fully revised, please review for qualifying conditions.
- **P. 38 Appendix 7.3: MMR Immunization Referral Form (Ages 1+ years)**
 - Form fully revised, please review for qualifying conditions.
- **P. 43: Publicly Funded Immigrant and Refugee Immunization and Serology Recommendations**
 - Pneumococcal vaccine serotypes updated.

Chapter 11 AEFI

- The updated 2025 **NATIONAL** adverse event following immunization form and user guide are [posted](#), and **should be used immediately for reporting**.
- **Immunizers must review this revised chapter:**
 - **Chapter 11 content and Appendices are revised.** Previous instruction to complete an AEFI form are removed, as immunizers should reference the [***Saskatchewan Adverse Event Following Immunization Report Form User Guide for Publicly Funded Immunizing Agents***](#): <https://www.ehealthsask.ca/services/Manuals/Documents/SK%20AEFI%20User%20Guide.pdf>
 - **Appendix 11.4: Summary of Reportable AEFI Criteria** has been revised and updated according to the national AEFI user guide. It is recommended that immunizers print this appendix as a quick reference guide to confirm that symptoms and events meet reportable AEFI criteria.
