

### Numeric Version History

All versions of the same report will be displayed side by side for comparison. If results have changed between versions, they are highlighted with a grey outline around the value box.

Test	Final	Final	Ref. Range (Units)
Reported	2011 Mar-08 08:10	2011 Mar-08 08:10	
<b>Glucose (Glucose Random)</b>	** 1.0	<b>3.4 (C)</b>	3.3-5.5 (mmol/L)

\* Abnormal \*\* Critically Abnormal § Units or Reference Range differs

More details of the older versions can be seen by hovering the mouse over the result values.

**Glucose (Glucose Random)**

**1.0 LL**

Collected 2011-Mar-08 08:10 (2 years ago)

Reference Range 3.3-5.5 (mmol/L)

Source SktnHR

**Glucose (Glucose Random)**

**3.4 (C)**

Collected 2011-Mar-08 08:10 (2 years ago)

Reference Range 3.3-5.5 (mmol/L)

Source SktnHR

Comment(s) <sup>§</sup> The previously reported value of 1.0 was incorrect.

The date in the Reported row also acts as a link to the historical result. Clicking on this will cause the report to display.
