

Clinical Encounters

Clinical encounters include all the regional admission/discharge/transfer (ADT) information from Saskatchewan Health Regions. The eHR viewer began receiving from Regional ADT information in December 2013. No previous ADT information will be available in the eHR Viewer.

Current Inpatient Location : Site: Tisdale Hospital Unit : Room : 132 Bed : 1

Search ****Any applicable clinical documents created before admission or after discharge will not be included in the filtered results.**

Details	Site	Case Type	Program	Provider	Admission	Discharge	Presenting Complaint/Most Responsible ICD-10-CA Diagnosis	Emergency Contact	Clinical Documents**
	Tisdale Hospital	Ambulatory	Medical	Sommer, Linda	2013-Aug-26		Bronchitis	Not Available	
	LaRonge HC	Inpatient	Short Stay Admission		2012-Aug-25	2012-Aug-31		Mommy McTesterson	

Each row is an individual encounter event. The various columns of information can be sorted using the icon at the top of the column.

1 **Current Inpatient Location :** Site: Tisdale Hospital Unit : Room : 132 Bed : 1

This displays the current location details of the patient if they are in the hospital. The first row of the table below is associated with the current visit. If the patient is not currently in the hospital then nothing will appear above the table.

2

Details	Site	Case Type	Program	Provider	Admission	Discharge	Presenting Complaint/Most Responsible ICD-10-CA Diagnosis	Emergency Contact	Clinical Documents**
	Tisdale Hospital	Ambulatory	Medical	Sommer, Linda	2013-Aug-26		Bronchitis	Not Available	

Each line of this screen is a separate incident. The incidents are listed in reverse chronological order with the most recent at the top. Once in a facility patients may move around. The Regina ADT system tracks this movement and sends it to the eHR viewer – this is called the encounter history. To view the history click the icon and a popup box will appear.

Encounter History

Site	Case Type	Program	Provider	Admission	Discharge	Presenting Complaint/Most Responsible ICD-10-CA Diagnosis	Emergency Contact
Tisdale Hospital	Ambulatory	Medical	Sommer, Linda	2013-Aug-26		Bronchitis	Not Available
Tisdale Hospital	Therapy - Long Term Care	Medical	Sommer, Linda	2013-Aug-26		Bronchitis	Not Available
Tisdale Hospital	Day Surgery	Medical	Sommer, Linda	2013-Aug-26		Bronchitis	Not Available
Tisdale Hospital	Therapy - Primary	Medical	Sommer, Linda	2013-Aug-26		Bronchitis	Not Available
Tisdale Hospital	Day Surgery	Medical	Sommer, Linda	2013-Aug-26		Bronchitis	Not Available

It is possible to link to any clinical documents (laboratory results and discharge summaries) associated with a specific visit. The last column in the clinical encounter is an icon. Click on the icon and view clinical documents that have the same date a time frame as the visit.

3

Presenting Complaint/Most Responsible ICD-10-CA Diagnosis	Emergency Contact	Clinical Documents**
Bronchitis	Not Available	

Clicking on the icon will cause the clinical documents screen to display within the clinical encounters tab. The filtered results includes clinical documents created between admission and discharge dates. These results may not be associated with or include all the documents relevant to the clinical encounter.

The information displays in the Clinical Encounters tab

The documents listed reflect the time frame of the admission/discharge and is displayed above
