The Clinical Home Page

The clinical home page is divided up into four sections; The eHR Viewer Menu Bar, the Pearson Search Window, The Search Results Window and the Recent Persons List.

The eHR Viewer Menu bar appears on the left hand side of the screen. This menu provides access points to the user.   The Right hand side of the screen displays the Pearson Search window, the Search Results window and the Recent Persons List.

This will cause the Clinical document information for this person to display

If a link has been updated for a patient's profile then when you try to access the patient's profile from a worklist or recent patient list an error icon will be presented – a yellow triangle with an exclamation mark.
MCTESTERSON, TESTY 1975-Jul-05 (36 years) M
NAVAJO-WHITE, ADULTMALE 1969-May-02 (42 years) M
⚠ POTASSIUMTEST, TESTING 1952-Mar-15 (59 years) M
⚠ NAVAJO-WHITE, ADULTMALE 1969-May-02 (42 years) M

This indicates that not all clinical data by be availilble from the saved link. To correct this delete the person from the worklist and complete a new person search for them. The new link can then be populated to the worklist.

This indicates that not all clinical data will be available from the saved link. To correct this delete the person from the worklist and complete a new person search for them. The new link can then be populated to the worklist. If you click on the patient's name you will not be presented with clinical data rather you will be given the following error message;

⚠ Not all clinical data may be displaying for this person. Please delete this person from any of your worklists and search for the person again.

The Reporting link contains the Chronic Disease Management Quality Improvement Reports (CDM-QIP). There are four reports available for this link
