

Person Search

The person search screen allows you to find the person to whom you wish to provide health care services. You have the ability to search for a person using either their health identifier number or their last name. The more specific the information entered the better the search results will be. The criteria to search for a person is:

- If you enter a person ID you must also enter a person ID type
- If you enter a last name you must also enter a first name or date of birth.
- You must enter a full name
- The date of birth must follow the format listed beside the field

Person Search
