

Panorama Bulletin

October 21, 2014

Information Bulletin 0004

Issue:

**Preparation for Implementation of Panorama Immunization
Module: No longer entering Immunization service events into
SIMS after November 6, 2014**

Any information entered into SIMS after November 6, 2014 will not be migrated into Panorama. Paper records of service delivery events between November 7 and 11, 2014 will need to be maintained until the Panorama system goes live on November 12, 2014, and then manually entered to Panorama.

Versions Affected

Version 2.5.3

Symptoms

- N/A

Response

Users may want to print out in advance the SIMS information about clients attending service between November 7 and 12, 2014. This paper document needs to be maintained until the information can be entered into Panorama after November 12, 2014.
