

# Panorama Bulletin

March 4, 2015

Information Bulletin 0031

## Quick Reference: Forecaster Fixes 2015-03-04

### Issue:

As part of the updated Panorama Production deployment that occurred on March 3<sup>rd</sup>, 2015, the Forecaster was updated.

### Procedure:

To ensure all the client's forecasts are refreshed, please click the 'Refresh Forecast button.' A reforecast will be occurring in the background, but this could take a few days to get all clients' reforecasted.

Immunization Forecast (by Agent) ✓ Contains Data Hide Immunization Forecast (by Agent)

Last forecast ran on: 2014 Sep 06 [Only available for clients who have forecasted agents or antigens] Refresh Forecast
