

Panorama Bulletin

October 31, 2014

Information Bulletin 0005

Issue:

Effective immediately, no further entries to be made into SIMS in the *Non Immunization Event – Other* field.

Any information that would be recorded in the *Non Immunization Event – Other* field should be recorded on paper and entered into Panorama Post Go Live.

Versions Affected

Version 2.5.3

Symptoms

- N/A

Response

Users may want to print out a copy of the SIMS information about the client and record the relevant information (that you would have recorded in *Non Immunization Event – Other*) on the printed paper copy and then enter it into Panorama Post Go Live in an appropriate field.
