Information Bulletin 0011

Issue:

The Panorama Immunization module will “Go Live” on Monday February 2nd, 2015. SIMS will be available for “View Only” access starting at 5:00 pm Wednesday January 28th, 2015 until otherwise advised by the Ministry of Health.

The process to decommission SIMS will begin Wednesday January 28th, 2015 at 5:00 pm. However, it will continue to be available with “View Only” access for reference purposes.

RHAs/FNJs will be required to record immunization services on a hard copy record (e.g. printed SIMS history page) for those clients booked for, or receiving, services between January 29th and February 1st. These immunization events will then be entered into Panorama post Go Live.
