Information Bulletin 0018

Preparation for Implementation of Panorama Immunization Module on February 2.

***Issue:* No longer permitting entry of Immunization service events into SIMS as of 5:00 pm on Tuesday, January 27, 2015.**

Any information entered into SIMS after Tuesday, January 27, 2015 will **not** be migrated into Panorama. Paper records of service delivery events between January 27 (5 pm) and Monday, February 2, 2015 will need to be maintained until the Panorama system goes live on February 2, 2015, and then will be manually entered in to Panorama.

Versions Affected

Version 2.5.3

Symptoms

- N/A

Response

Users may want to print SIMS information in advance for clients attending for services between January 28th and February 2nd, 2015. This paper document needs to be maintained until the information can be entered into Panorama after February 2, 2015.
