

Panorama Immunization Module Policies

TOPIC:	Informing Clients about Panorama		
APPROVED BY:	Saskatchewan Ministry of Health	DATE APPROVED:	January 14, 2015

POLICY:

Clients will be informed that their immunization history and their personal health information, as it relates to immunization, is entered into the provincial electronic immunization registry – Panorama.

PURPOSE:

To ensure that Panorama users inform clients that their immunization history and personal health information related to immunizations is recorded in the Panorama immunization module and can be accessed by Panorama users and other authorized/approved health care workers on a *need-to-know* basis.

PROCEDURE:

Information about Panorama and the protection of the client's health information is made accessible to clients through the use of the ***Protecting the Privacy of your Immunization Record*** fact sheet.
