

Panorama Immunization Module Policies

TOPIC:	Regional Administration Responsibilities		
APPROVED BY:	Saskatchewan Ministry of Health	DATE APPROVED:	January 14, 2015

POLICY:

Regional Health Authorities and First Nations Jurisdictions must ensure that their staff list of authorized Panorama users is maintained and kept current.

PURPOSE:

To ensure that only those individuals who require access to Panorama Immunization Module are designated as authorized panorama users and that those individuals who no longer require access to the Panorama Immunization Module are removed promptly.

PROCEDURE:

Regional Health Authorities and First Nations Jurisdictions will appoint and authorize designates to prepare and maintain a list of their authorized Panorama users.

The designate needs to review and update their list of authorized Panorama users on a regular basis and will notify eHealth Saskatchewan to make changes as necessary.
