

Panorama Immunizations

PATHWAY TO GO-LIVE

WHEN IS EVERYTHING HAPPENING?

- 5:00 pm January 27th, 2015 – SIMS is no longer used for entry of any immunization services information – immunizations will be recorded on SIMS paper records until Feb 1st
- January 27th to February 1st – SIMS data will be migrated to Panorama
- February 2nd, 2015 – Panorama Immunizations goes Live!
- SIMS will remain available post Go Live in a view and print-only version for a transition period; any changes to the availability of SIMS will be communicated to PHN managers

WHAT WEBSITES SHOULD I BOOKMARK?

- Panorama Gateway – ehealthsask.ca/Panorama
 - Links to User Guides, policies, user documentation, bulletins and announcements, etc.
 - Links to the new account registration form and the confidentiality agreement
- Panorama Production Site (available on Feb 2nd) - <https://services.ehealthsask.ca/panorama/SecurityWeb/Portal>
- Panorama Training Site - <https://efd-services.ehealthsask.ca/SecurityWeb/Portal>
