

## Panorama Inventory Policy

TOPIC:	<b>Pick, Pack and Ship</b>		
APPROVED BY:	<b>Saskatchewan Ministry of Health</b>	APPROVED:	<b>2017-04-04</b>

**POLICY:** All holding points must Pick, Pack and Ship publicly funded biological products to external partners and approved internal holding points as of September 30, 2017.

**PURPOSE:** To ensure accurate inventory counts in all internal holding points and provide traceability of products in case of a recall.

**PROCEDURE:**

Refer to Approve, Pick, Pack, and Ship Requisition under the Panorama Gateway site.
