

Saskatchewan Spine Pathway Presents

ASSESSMENT AND MANAGEMENT OF LOWER BACK AND LEG PAIN

Saturday September 22, 2018 1:00-5:00 p.m.

Saskatoon SK. Location TBD

Presenters: **Daryl Fourney, MD, FRCSC, FACS**
Professor, Division of Neurosurgery, University of Saskatchewan
John Berzolla, BScPT, BScAnat

The *Assessment and Management of Lower Back and Leg Pain* course is designed for primary care providers including physicians, physiotherapists, chiropractors and nurses. It is intended to build on providers' knowledge and skills when treating patients with low back and leg pain.

This course will follow the 64th Family Medicine Conference hosted by the Saskatchewan College of Family Physicians

There is no charge for this course.

This Group Learning program has been certified by the College of Family Physicians of Canada for up to 8 Mainpro+ credits.

Registration will be available soon at
